107 students were enrolled in courses like Kith & Kin - a class designed to help parents prepare their children for school, Technology classes that teach navigation, safety, and professional use, and Public Speaking.

Art Classes
Unlimited Potential holds a range of art classes for both adults and children. Classes include piano, guitar, bucket drumming, drawing, acrylic painting, and more. 104 adults and children participated this summer.

Physical Activities
Physical classes focus on fun ways to exercise and range from Mexican folkloric dance to yoga and zumba. This summer, there were 14 students.

Crafts & Cosmetology
These courses include Cosmetology, Make-up, Hairstyling, Crocheting, and Sewing classes. 28 community members participated.

Food & Nutrition
These courses focus on how to cultivate, cook, and eat healthy using food native to Arizona. Classes include gardening, nutrition, dessert, and cooking. There were 69 participants.
Mission
Unlimited Potential ignites unity, pride, and dignity through education and advocacy.

Vision
Equitable opportunities grounded in acceptance and respect, promoting strong individuals, families, and communities.

Unlimited Potential's summer programs would not be possible without the help of all our volunteers and partners. A special thanks to UofA and Park and RX for this summer's success.
